About Us

The Regional Food Bank works to alleviate hunger and prevent food waste by collecting donations of wholesome but unmarketable food from the food industry and distributing it to agencies that feed the hungry and those in need of food assistance. The Regional Food Bank is a member of Feeding America, the national network of food banks, and is one of eight food banks serving New York State.

In 2009, the Food Bank distributed 22 million pounds of food throughout a 23 county service area that encompasses 41% of New York State.

For every dollar that is donated, the Food Bank is able to distribute \$10-12 worth of food.
